With great amazement i found this site! I never knew there are so many Tschopps especially in the U.S.. 😊

How can we contribute something to the Tschopp-Family-Tree? We have thorough information as far as my grand-grandfather Jakob Tschopp, who was about to emigrate to China, when he met my grand-grandmother in naples/italy (lucky we are..) Grandfather Ottavio Tschopp moved back to Switzerland in the 50'ies of last century! The family is mainly located around Basel/Switzerland!

PS: Did you know, that Tschopps used to be a family of executioners in the middle-age? 😬

Hey,

My name is Karl Tschopp and I am Pamela's brother. I was also born in Basel and, like my sis, I live in the Hague (The Netherlands). Cool site by the way!

Is the crest the official crest of our family? Because I have never seen it before, even when I was with my family in Basel.

Hi ya'll,

What a great pleasure and surprise to find this site about the Tschopp's family. I enjoyed to read the differents topics and discussions. But many of you seem to be ignorant about the history of the family....except <name removed for privacy>!!! Ooooh, does anyone know we had a Prince in the family ?
Yep, you're right...ladies and gentlemen here is our master : S.H. <name removed for privacy> !!!!
Wanna be a Princess, girls ?
Well, don't dream, he is the One (grrrrrrrr) and we are just some poor Tschopp lost all around the world.

Long life to our Prince !!!!!!!
